**Vegetable CSA Share Price** – Our prices reflect our deep commitment to growing top quality produce using sustainable practices which emphasize care for the earth (**we offer a sliding scale, depending on your income and capacity to pay**). We are striving to take the necessary actions to make accelerated steps toward improved nutritional quality in our production. To this end we are inviting our CSA members to make a voluntary investment in our Capital Fertility Plan, dubbed the **Deep Nutrition Share** (\$100-150 investment for summertime shares). See our CSA Share Information for complete information about the new **Deep Nutrition Share Investment Option**.
