

Introduction to Nutrient Dense Crop Production

and the **REAL FOOD**
Campaign

- How can we build vitality in our soils, crops, and bodies?
- How can we better understand the complex relationship between soil, crop nutrition, and human health?
- Learn how the Real Food Campaign is approaching these questions and working toward systemic solutions.

presented by

Dan Kittredge

Life-long organic farmer, Director of Real Food Campaign, and instructor of a 5-part course in Dartmouth in 2011: www.realfoodcampaign.org

Tuesday, November 30, 2010
